Dear County Commissioners:

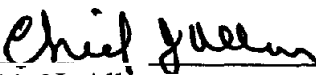

Please find enclosed three checks from the Tribe for past and future dispatch services and inmate medical expenses.

Pursuant to ~~our~~ Dispatch Agreement with Benewah County, the Tribe ~~has~~ agreed to compensate the Benewah County ~~Sheriffs~~ Department for past and future dispatch services provided to the Tribe. The Tribe agreed to make three annual payments of forty-one thousand four hundred seventy-one dollars and sixty-seven cents (\$41,471.67) beginning October 15, 2005. Please find a check enclosed herein for that amount. The Tribe ~~also~~ agreed to make monthly payments, beginning October 15, 2005, in the amount of four thousand six hundred dollars (\$4,600.00). Rather than burden the County Auditor's Office with preparing monthly invoices, the Tribe ~~will~~ advance the entire payment for future services provided between October **15, 2005** and October 15, 2006. A check is enclosed in the amount of fifty-five thousand two ~~hundred~~ dollars (\$55,000.00).

The Tribe is also enclosing a check in the amount of eighteen thousand nine hundred twenty-nine and seventy-five cents (\$18,929.75) for inmate medical expenses.

The Tribe looks forward to ~~working~~ with the County on exploring ways to reduce costs and enhance services to ~~our~~ respective constituents for law enforcement services. Dispatch costs and incarceration costs will continue to rise and we should look for creative ways to control those costs.

Sincerely,

  
Chief J. Allan  
Chairman
